FAST turn around on short run digital print with **FREE** delivery to hundreds of council sites across Suffolk.

Please ask for details.

Artwork and design service is available at an extra cost.

All Prices quoted are exclusive of tax and delivery costs.

VAT must be applied where applicable.

Design and print work are subject to sight of origination and materials.

Prices are correct at time of going to press, however due to paper price increases, they are subject to change without prior notice.

Please contact us for our latest prices.

About Us

Design & Print not only offers a creative graphic design service but also a high quality litho and digital print solution. We can provide you with a personal design service alongside great value, full colour, printed literature on quality FSC paper stock. From initial concept and artwork right through to the delivery, Design & Print will fulfil all of your requirements, whether it is a simple leaflet, exhibition materials or display graphics. Our service is ISO9001:2008 & 14001:2004 certified.

Digital Print

Digital short-run printing is timely, personal and effective. Our nine presses which are split between three copy centres based in Ipswich (two sites) & Bury St Edmunds give us the capacity to print a vast range of high definition prints at an affordable and highly competitive price. Our Xerox CP 1000 allows rated speeds of 100 copies per minute on stocks up to a weight of 350gsm and prints on coated, uncoated, structured and smooth papers. Our growing list of machinery includes Xerox Colour J75, Xerox D125, Xerox 700, Xerox 4127 and Océ CS9160 large format printer.

Wide Format

Our state-of-the-art Océ large format printer uses Eco-solvent inks to create indoor and outdoor prints. From signs and banners to poster printing, window graphics and more, you can rely on us to provide you with quality display graphic prints. The printer's VariaDot imaging technology ensures superb print quality up to 1440 dpi, with vivid colours resulting in excellent, high impact print that not only looks great, but has the durability to last.

Lithographic Print Services

We believe that print still plays a vital role as a progressive, useful and necessary means of communication. We understand the importance of your printed material; our specialist lithographic printers combine the performance of a traditional printer with the speed, quality and versatility of modern printers, producing a smooth, high-quality finish on a variety of materials that is tailored to your needs.

Finishing

From folding, binding, laminating, collating and trimming to stapling, hole drilling and tabbing, our capable team will add the finishing touches to your project and provide you with the detail needed to enhance your message. We also offer a variety of folds that can create an even greater impact, such as Z folds, gate folds, and roll folds.

With a vast range of options available, share your thoughts with us or draw on our many years of experience to recommend the right finishing solution for you.

What we do

We can provide a wide range of services to meet your promotional needs, all at competitive prices. Here's a taste of what we do:

- Stationery
- Annual Reports
- Booklets
